## IMPORTANT INFORMATION FOR DOG RACERS

- One registration includes 1 runner + 1 dog.
- Bring your dog's vaccination record! The dog must have a valid rabies vaccination at the time of the event, which we will check. The dog must be at least 6 months old at the time of the competition! Do not bring a dog in heat to the event!
- Leash with harness / collar: dogs cannot be let loose at the event, they must be kept on a leash in the competition center area and on the track!
- Note: we prefer a harness for running, as it is more comfortable for the dog, so we ask all owners to bring a harness if they have it.
- We provide dog waterers at the refreshment point on the course, at the finish line, and in the competition center area.

## RESPONSIBLE BEHAVIOR

We call the attention of competitors and spectators to sportsmanlike conduct, as well as cultured behavior worthy of athletes and sports-loving people!

## DURING THE RACE

### TIME MEASUREMENT, USING OF TIMING CHIP

- The timekeeper of the event is Runtiming.hu, the chip must be worn on the wrist by the participants of the Individual Short/Middle Distance, Team Competition, Wolf Cubs, Trail Run and Dog Run!
- In the case of a Team competition, each team has 1 chip, which is worn by the chosen member of the team.
- In case of the Individual Short/Middle and Trail, is the competitor's own responsibility and duty to touch his chip to the timing unit /UFO/ at the control points on the track and at the finish line, otherwise he will not have a valid time!
- It is the responsibility and duty of the participants to touch the chip to the timing unit /UFO/ at the start, on the course and at the finish checkpoints of the Team race and the Dog Run participants, otherwise the time result will not be valid!
- In case of the Wolf cubs age group kids race, is the competitor's own responsibility and duty to touch his chip to the timing unit /UFO/ at the checkpoint and at the finish line, otherwise he will not have a valid time!

Adult competitors, pay attention to the green "CHECK POINT" signs, one of our STAFF colleagues will be waiting for you with the timing unit in hand!

## PENALTY LOOPS AT INDIVIDUAL RACE AND FUNRUN

- **WOLF CRAWL:** the competitor must complete the penalty loop in wolf crawl (practice also known as bear crawl); during the movement, the competitor's palms and toes remain in contact with the ground without the knees being on the ground. So at least 1 palm and the toes of one foot must be down on the ground; In all cases, wolf crawl takes place head first, moving backwards or sideways is not allowed!
- In the **FUN RUN**, the penalty loop is half as long as in normal races: in this case, the penalty loop must be completed in such a way that the penalty must be carried out in the first half of the designated route, and there is a run from backway.

## TYPE OF THE PENALTY LOOP DURING TEAM RACE

### TEAM OF 2:

- if 2 team members do not complete the obstacle, all team members go to the penalty loop, in a wolf crawl;
- if 1 team member does not complete the obstacle, then the penalty loop is completed by partner carrying - one team member puts the other on his back or carries him with a fireman's hold (over the shoulder); exchange is possible, however, racers cannot move forward during the exchange;

	1 FŐS 1 PERSON	2 FŐS 2 PERSON	3 FŐS 3 PERSON	4 FŐS 4 PERSON
1 FŐS 1 PERSON	XXXX	XXXX	XX	X
2 FŐS 2 PERSON			🐺🐺	🚶🚶
3 FŐS 3 PERSON		🐺🐺	🚶🚶	🚶🚶
4 FŐS 4 PERSON	🐺🐺	🚶🚶	🚶🚶	🚶🚶

### TEAM OF 3:

- if 3 team members do not complete the obstacle, all team members go to the penalty loop, in a wolf crawl;
- if 2 team members do not complete the obstacle, then the penalty loop is completed by partner carrying in such a way that two carry the third team member, exchange is possible, however, racers cannot move forward during the exchange;
- if 1 team member does not complete the obstacle, then the penalty loop is completed by partner carrying - one team member sits the other on his back or carries him with a fireman's grip (over the shoulder), the third team member goes next to them by walk, exchange is possible, however, during the exchange racers can't move forward.

### TEAM OF 4:

- if 4 team members do not complete the obstacle, all team members go to the penalty loop, in a wolf crawl;
- if 3 team members do not complete the obstacle, then the penalty round is completed by partner carrying - two team members carry the other two sitting on the back, or with a fireman's hold (slung over the shoulder), exchange is possible, however, during the exchange, it is not possible to move forward;
- if 2 team members do not complete the obstacle, then the penalty loop is completed by partner carrying in such a way that two carry the third team member, the fourth team member goes next to them by walk, exchange is possible, however, during the exchange, it is not possible to move forward;
- if 1 team member fails to complete the obstacle, then the penalty round is completed by partner carrying - one team member sits the other on his back or carries him with a fireman's hold (over the shoulder), the third and fourth team member goes next to them by walk, exchange is possible, however the racers cannot move forward during the exchange.

## CUPLESS COMPETITION

- We don't use plastic or single-use paper cups at our refreshment stations. We have adopted a slogan and method that has worked well in our other events: **BRING YOUR OWN CUP!**
- Participants pour the hypotonic drink and water into their own cup, bottle, or liquid container at the refreshment stations. By this solution we significantly reduce the generated waste of our events.

## MEDICAL CARE

- Rescue team will take care of the necessary care of the participants at the venue of the event;
- If the competitor needs medical treatment or requests medical assistance, he cannot continue the race, his race is considered incomplete, the timing chip.
- In case of Team races and Wolf cubs competitors, the headband must also be handed over to the staff member present.
- To the participant who leaves the competition will not have a valid time result and he is not entitled to receive the Finisher medal. Of course, the participant is still entitled to receive the gifts provided by the sponsors and to use the goulash party/pasta party.

## GIVING UP THE RACE

- Participant who does not want to continue the race, must indicate this to the staff at the nearest obstacle and hand in the chip. In the case of Team member and Wolf cubs child contestants, the headband must also be handed in;
- Staff will not transport the participant back to the finish line, he must walk back to the race center on his own feet, he can ask information about the shortest route to the competition center from the Staff;
- Anyone who gives up the race during the race or fails to finish by the race closing time, will receive a DNF ("Did not finish") status on the results list; will not have a valid time result and will not be entitled to receive the Finisher medal. Of course, you are still entitled to receive the gifts provided by the sponsors and to use the goulash party/pasta party.

## FULL REFRESHMENT

- At the Individual and Team short distances, Trail run and Dog run there will be 2 refreshment stations on the course and one in the finish. At the Fun run there will be 1 on the course and other one at the finish line. For the middle distance racers there will be 3 refreshment points at the course.
- At these points, we offer [<i:am> mineral+energy hypotonic sports drink](#). This product provides a balanced combination of carbohydrates, electrolytes, and water to replace all other refreshment solutions.
- At the stations we provide normal and dried fruits, crackers, salt and water, of course.

# AFTER THE RACE
